

**Saturday August 13  
Noon to 6 p.m.  
De La Salle Park, Jackson's Point  
Town of Georgina**

**SCHEDULE**

Noon

**Gates open**

Main gate into De La Salle Park is 1940 Metro Road East. Two gates on Lake Drive. Free valet bicycle parking from the main gate. Car parking close by -- shuttle to main gate.

**Welcome Centre -- your first stop in the park**

The centre of the park. Find out about all events. Learn about the Ontario Water Centre for Innovation, Research and Learning. Pick up your "Passport Book" and map – get it stamped in each area you visit and have a chance to win a great prize as you leave.

Get your free water bottle that can be refilled all afternoon at the York Region Water Trailer.

Stop by all day long for some reflections of water, film and sounds. Music by Ardeleana String Trio and Brenda Muller, Director of the Georgina Blue Bridge Festival.

For your enjoyment all afternoon...

**A Taste of Georgina**

Local food for picnics in the park. (65 decorated picnic tables are waiting for you). Healthy lunches and snacks from locally grown foods provided by FARM Georgina. Free tastings and cooking demonstrations.

Be sure to pick up a refillable Splash Water Bottle and fill up for free on site.

**Back to the Future**

Explore how water has shaped our past and will shape our future. See how your community is changing and look into the future five, ten and 20 years. Innovation inspired by water starts here. Play with fascinating facts and discover the inventive "hydraulophone" interaction.

**Silent Sports & Splash Party on the Beach!**

Walk on water, build giant sand castles, see and try exciting new silent water sports activities, take sailing lessons.

Find out how Georgina's waterfront might be rewilded at the Rewilding Keswick Creeks kiosk.

### **Water Art Everywhere**

Rock with lawn roller art, draw your mind at the Graffiti Water Wall, visit a water-inspired art show and sale, read a water book at Words on Water while enjoying a water foot treatment at the Spa.

### **Live Water Music Everywhere**

Latinada - Salsa, merengue and jammin' on the beach with some of the world's finest Cuban musicians. Dancing on the sand is welcome!

Bree & Craig 's Water for Peace – Many instruments, many stories, much fun. All welcomed to sit in and play at Giggle Gurgle Beach area.

The Blue Grass Cats – Fiddling, stomping, knee slapping fun in the middle of the park. These are some of Canada's best Bluegrass players. Yeehaaa!

The Junkestra Orchestra - a delight for a wild imagination. Find Mark at Giggle Gurgle Beach. Junkestra will have every age marvelling at and playing tunes on a collection of "musical inventions" that will take you to new places. Fun for all ages! *You* are the Junkestra Orchestra.

Georgina's Jazz Ensemble – Soroja is a cool 5 piece band playing all day, featuring Georgina's Joe Agnello (bassist extraordinaire) and soul mate Frank Genuso (keys and hammond B3 organ). Old and new jazz standards at the Wally Winka's Tent for Jazz and Art. A great place to chill.

### **Windfall Gathering Place**

Hosting an afternoon of conversation and networking around water, energy and community.

### **Blue Green Lane**

You need to be blue to be green, and green to be blue. Visit with some green companies who are getting their feet wet and see what opportunities lie ahead.

12:45 p.m.

**Welcome Ceremony** - The celebration begins with the Voices of the Georgina Island Children's Choir and our own Georgina dignitaries.

3:00 p.m.

**Special Concert** - Lake Simcoe Becomes **The World's** Largest Musical Instrument as Internationally renowned Inventor Steve Mann and musical composer/interpreter Ryan Jenzen unveil the Hydraulophone. Experience the wonders of water and science! Combining forces with Soroja (Georgina's Jazz Greats) this is a musical first with music ranging from the classics to Peter Gabriel.

3:45 p.m.

### **The H2Orchestra presents Handel's "Water Music" and Lake Simcoe's first Boat Horn Symphony**

Another Musical First – Renowned Composer and conductor Steve Chwoyko with 12 musicians on the in water stage, bring George Fredrick Handel's *Water Music* (written in 1717) to Lake Simcoe. Then join with local boaters to become part of the first ever Lake Simcoe Boat Horn Symphony.
